2012 SPECIFICATIONS

INFINITI FX

POWER

ENGINE

3.5-liter (3,498 cc) 24-valve V6, aluminum-alloy block and heads

5.0-liter (5,026 cc) 32-valve V8, aluminum-alloy block and heads

VALVETRAIN

Double overhead camshaft (DOHC), 4 valves per cylinder with microfinished camshafts. Steel intake and exhaust valves. Continuously Variable Valve Timing Control System (CVTCS) optimizes opening of intake and exhaust valves

Double overhead camshaft (DOHC), 4 valves per cylinder with microfinished camshafts. Steel intake and exhaust valves. Continuously Variable Valve Timing Control System (CVTCS) optimizes opening of intake and exhaust valves. Variable Valve Event and Lift (VVEL[®]) for intake valves improves performance, emissions and fuel efficiency

HORSEPOWER

303 hp @ 6,800 rpm

390 hp @ 6,500 rpm

TORQUE

262 lb-ft @ 4,800 rpm

369 lb-ft @ 4,400 rpm

TRANSMISSION

Electronically controlled 7-speed automatic with Adaptive Shift Control (ASC). Manual shift mode offers sequentially selectable manual gearshifts and Downshift Rev Matching (DRM)

Snow mode controls throttle response

DRIVE TYPE

Rear-wheel drive

Intelligent All-Wheel Drive (AWD)

HANDLING

STEERING

Type Vehicle-speed-sensitive power steering

Turning diameter 36.7 feet

SUSPENSION

Front Independent, double-wishbone suspension, shock absorbers, stabilizer bar

Rear Independent, multi-link suspension, shock absorbers, stabilizer bar

Sport Package Continuous Damping Control (CDC[®]) with Auto and Sport modes and Rear Active Steer¹

BRAKES

Front/Rear 12.6 x 1.3-inch ventilated discs/12.1 x 0.6-inch ventilated discs; 4-wheel, 4-channel ABS

Aluminum 4-piston opposed front calipers with 14.0 x 1.3-inch ventilated discs/2-piston opposed rear calipers with 13.8 x 0.8-inch ventilated discs; 4-wheel, 4-channel ABS

WHEELS AND TIRES

Standard 18 x 8.0-inch, split 5-spoke aluminum-alloy wheels with 265/60R18 all-season tires

20 x 8.0-inch, 5-spoke aluminum-alloy wheels with 265/50R20 all-season tires

21 x 9.5-inch, 6-spoke aluminum-alloy wheels with 265/45R21 all-season tires

Spare tire Temporary use, T175/90D18 (Steel wheel on FX35; alloy wheel on FX50)

PREMIUM PACKAGE

(Optional on FX35; Standard on FX50.)

Infiniti Hard Drive Navigation System with 8-inch WVGA color touch-screen display, Lane Guidance and 3-D building graphics⁶ (deletes compass on inside mirror)

Infiniti Voice Recognition for audio, navigation, and vehicle information systems

XM NavTraffic[®] with Real-Time Traffic information⁵

XM NavWeather[™] with Real-Time Weather and 3-day forecast⁵

Zagat Survey[®] Restaurant Guide

Around View[®] Monitor⁷ with Front and Rear Sonar System⁸

Single in-dash CD/DVD player

Streaming audio via Bluetooth[®] wireless technology³

Dual occupant memory system for driver's seat, outside mirrors and steering wheel, linked to individual Intelligent Keys

Entry/exit assist for driver's seat and steering wheel

Outside mirror with reverse tilt-down feature

Power tilt and telescopic steering column

Aluminum roof rails

DELUXE TOURING PACKAGE

(Requires Premium Package on FX35; Standard on FX50.)

20 x 8.0-inch, 5-spoke aluminum-alloy wheels with 265/50R20 all-season tires (FX35 only)

Maple interior accents

Aluminum pedals

Tonneau cover

Quilted leather-appointed seats

Climate-controlled front seats

TECHNOLOGY PACKAGE

(Requires Deluxe Touring Package on FX35.)

Intelligent Cruise Control (Full-Speed Range)⁹

Lane Departure Warning and Lane Departure Prevention¹⁰

Distance Control Assist¹¹

Intelligent Brake Assist¹² with Forward Collision Warning¹³

Front Pre-Crash Seat Belts

Rain-sensing front windshield wipers

Adaptive Front lighting System with auto-leveling headlights

SPORT PACKAGE¹⁴

(Requires Technology Package.)

Continuous Damping Control (CDC[®]) with Auto and Sport modes

Rear Active Steer¹

Solid magnesium paddle shifters

Sport-style front seats with thigh support

Driver's seat with power bolster adjustment (4-way)

Dark-tinted headlights, side air vents and lower door trim

This specification sheet is intended for general descriptive and informational purposes only. It is subject to change and does not constitute an offer, representation or warranty (express or implied) by Nissan North America, Inc. Interested parties should confirm the accuracy of any information in this brochure as it relates to a vehicle directly with Nissan North America, Inc. before relying on it to make a purchase decision. Nissan North America, Inc. reserves the right to make changes, at any time, without prior notice, in prices, colors, materials, equipment, specifications, and models and to discontinue models or equipment. Due to continuous product development and other pre- and post-production factors, actual vehicle, materials and specifications may vary from this brochure. Some vehicles shown with optional equipment. See the actual vehicle for complete accuracy. Availability and delivery times for particular models or equipment may vary. Specifications, options and accessories may differ in Hawaii, U.S. territories and other countries. For additional information on availability, options or accessories, see your Infiniti retailer or contact Nissan North America, Inc.

¹ Rear Active Steer cannot prevent accidents caused by abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. ² The Advanced Climate Control System with Plasmacluster air purifier helps scrub the air in the vehicle's interior. The system senses exterior odors, suppresses unpleasant interior odors, stops the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors. ³ Availability of specific features is dependent upon the phone's Bluetooth[®] support. Please refer to your phone owner's manual for details. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Infiniti is under license. ⁴ Always give your full attention to driving. Avoid operating your iPod[®] in such a way that you can be distracted during vehicle operation. See Retailer for details. iPod[®] is a registered trademark of Apple, Inc. All rights reserved. iPod[®] not included. ⁵ Required XM Radio, XM NavTraffic and XM NavWeather subscriptions sold separately. Installation costs, one-time activation fee, other fees and taxes will apply. XM NavTraffic available in select markets. XM Radio U.S. service and XM NavWeather service available only to those at least 18 years of age in the 48 contiguous United States and D.C. Fees and programming subject to change. Subscriptions governed by XM Customer Agreement available at xmradio.com. ©2011 SIRIUS XM Radio Inc. SIRIUS, XM and all related marks and logos are trademarks of SIRIUS XM Radio Inc. and its subsidiaries. ⁶ Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ⁷ Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ⁸ The Front and Rear Sonar System is a convenience, but not a substitute for proper parking procedures and/or backing procedures. Always check that it is safe to do so before moving forward or backing up. May not detect every object in front of or behind you. ⁹ Intelligent Cruise Control (Full-Speed Range) is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. ¹⁰ The Lane Departure Warning/Lane Departure Prevention systems operate above approximately 45 mph and only when the lane markings are clearly visible on the road. They will not prevent loss of control. Refer to your owner's manual for more details. ¹¹ Distance Control Assist helps maintain a distance to the vehicle in front under certain conditions. Not a collision avoidance system. Failure to apply the brakes could result in an accident. ¹² IBA is not a collision avoidance system. It may not provide warning or braking in certain conditions. Never rely solely on IBA. ¹³ FCW cannot prevent accidents due to carelessness or dangerous driving techniques. Always drive safely. ¹⁴ High-Friction Brake Pads are standard equipment on the FX50 with Sport Package. These brake pads are designed for high-performance driving with a higher coefficient of friction on the rotors that provides superior pedal feel and improved fade resistance in severe braking conditions. Depending on your driving habits, you may experience increased brake dust and noise as well as faster wear of the brake pads and rotors, resulting in more frequent replacement of these components. ¹⁵ 2012 EPA Fuel Economy Estimates. Actual mileage may vary with driving conditions. Use for comparison only. ¹⁶ When towing at or near Maximum Trailer Weight, the allowable vehicle cargo and/or number of passengers is reduced because it is necessary to stay below the Gross Combined Weight Rating and the Gross Axle Weight Rating. If the vehicle has cargo and passengers, the allowable Maximum Trailer Weight is reduced. See your Towing Guide and owner's manual for proper use. ¹⁷ Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your owner's manual for more details. ¹⁸ VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. ¹⁹ Tire Pressure Monitoring System is not a substitute for regular tire pressure checks.

Safety

Infiniti Safety Shield® is our comprehensive approach to safety. It includes rigorous crash testing, over 50 standard safety features on every vehicle and available advanced safety technologies. Infiniti Safety Shield® is designed and developed into every vehicle we build to help protect you and your passengers.

Infiniti Advanced Air Bag System (AABS)¹⁷ Includes dual-stage front supplemental air bags with seat belt sensors and an occupant-classification sensor which adjust their inflation rate depending on crash severity and seat belt usage. If the front-passenger's seat is empty, a sensor will deactivate the air bag.

Driver and Front-passenger Side-impact Supplemental Air Bags¹⁷ These air bags are placed in the front seat side bolsters so they can move with the seat to help maintain optimal positioning.

Roof-mounted Curtain Side-impact Supplemental Air Bags¹⁷ Deployed from the headliner above the side windows, they help give outboard occupants enhanced head protection in the case of a side impact or rollover. Tied to the vehicle's rollover and side-impact sensors, they are designed to offer added protection by staying inflated for an extended time.

4-wheel Anti-lock Braking System (ABS) By preventing wheel lockup, the ABS system on the FX helps you maintain steering control of the vehicle, even during emergency braking situations.

Brake Assist (BA) In emergency braking situations, many drivers don't brake hard enough, soon enough. Brake Assist monitors how you apply the brakes and, sensing emergency braking, helps to apply maximum brake force for potentially shorter stops.

Intelligent Brake Assist (IBA)¹² This available active safety feature continuously monitors and analyzes closing speeds to a vehicle ahead. If the driver does not adequately respond to the Forward Collision Warning and a collision cannot be avoided, IBA will automatically engage the brakes to help reduce collision speed and impact, helping to mitigate the consequences of the accident.

Forward Collision Warning (FCW)¹³ Using the FX's laser rangefinder, this available feature helps alert the driver of an imminent collision by providing a visual and an audible warning.

Electronic Brake force Distribution (EBD) To help optimize braking performance for a variety of vehicle loads, EBD adjusts the amount of brake force applied to the front and rear wheels for improved braking performance, reducing front-end "dive" during braking and more even brake wear. Infiniti's Electronic Brake force Distribution (EBD) system detects vehicle-load conditions, such as passengers and luggage, and distributes additional brake pressure to the rear brakes as needed.

Traction Control System (TCS) To help enhance rear-wheel grip when accelerating, the Infiniti FX's Traction Control System senses wheelspin and automatically reduces engine output and/or brakes the spinning wheel to help improve traction.

Vehicle Dynamic Control (VDC)¹⁸ Acting in tandem with the Traction Control System, VDC compares actual vehicle cornering performance to the driver's input, adjusting power levels and/or applying appropriate brake pressure to individual wheels to help correct oversteer or understeer, helping keep the vehicle on the steered path.

snug+kids™ Snug Kids® The first venture of its kind, Snug Kids is our online guide to selecting and correctly installing a child restraint seat for your Infiniti automobile. Our safety engineers evaluated numerous child restraint seats, installing them in every Infiniti car and SUV. Visit InfinitiUSA.com/snugkids to view or download the results.

Additional Safety Features:

- Zone Body construction with reinforced passenger compartment and front and rear crumple zones
- Front seat belts with pretensioners and load limiters, driver's seat Emergency Locking Retractor (ELR) and passenger's seat ELR and Automatic Locking Retractor (ALR)
- Second-row 3-point seat belts with ELR and ALR
- Front-seat Active Head Restraints (in certain rear collisions), move upward and forward to help cushion the head
- Tire Pressure Monitoring System (TPMS)¹⁹
- LATCH System (Lower Anchors and Tethers for Children) helps simplify proper installation of compatible child restraint seats
- Infiniti Vehicle Immobilizer System embeds an encoded transponder chip into ignition key. The engine control computer will not allow the engine to start without the correct key and transponder

GENUINE INFINITI
Accessories

Enhance, personalize and protect your Infiniti FX with accessories that are crafted with the same exacting standards as the rest of the vehicle.

Genuine Infiniti Accessories are:

- Covered by a 4-year/60,000-mile limited warranty when installed at the time of new vehicle purchase¹
- Only a nominal additional fee to your monthly payment, when financed
- Custom-fit, custom-designed and durability-tested to meet Infiniti standards

Moonroof wind deflector, splash guards, roof rail crossbars

Also Available:

- Hatch tent
- Vehicle Alarm Impact Sensor
- All-season floor mats
- Cargo net
- Carpeted floor mats
- Vehicle cover
- Vehicle cover cable lock
- Wheel locks
- Towing accessories
- Emergency road kit
- First-aid kit
- Air bag anti-theft bolts
- Seat belt extender
- Ash cup
- Touch-up paint
